Email: TELEPHONES:

ADDRESS:

.....

Information and declaration of acceptance of the sanitary safety measures observed at the hotel in relation to the new coronavirus (COVID-19)

I hereby expressly state that:

- I am aware of the measures adopted by the hotel in accordance with all the specific health protocols of the Ministry of Tourism. Indicative: development of an action plan and the management of a suspicious case, measures to be taken by accommodation staff, by the front desk service, by the cleaning services, catering and public facilities, measures for water, sewerage, air conditioning and ventilation of spaces, event and meeting spaces and public spaces, etc.

- I unreservedly accept the measures in place and consider them to be absolutely adequate for my protection.

- I recognize and accept the health risks for myself and my underage family members due to the new coronavirus (COVID-19)

Statement of information on individual health safety rules mandatory by the customer inside and outside the hotel grounds against the new coronavirus (COVID-19)

I am aware of the personal hygiene rules against the new coronavirus (COVID-19) that I must comply with, inside and outside the hotel premises and I am committed to follow them.

The basic rules of personal hygiene for the protection and prevention of transmission of the new coronavirus (COVID-19) are as follows::

1. Avoid hand contact with the eyes, nose, and mouth to reduce the risk of infection with the virus.
2. Avoid sharing personal items.
3. In coughing or sneezing, need covering the nose and mouth with the sleeve at elbow height or with tissue, immediately washing the hands and discarding the tissue in a closed bucket.
4. Regular and meticulous hand washing with liquid soap and water or alcoholic solution.
5. Avoid close contact (<2m) with people showing symptoms of respiratory infection (cough, runny nose, fever, sore throat).
6. Avoid aggregations and observe a minimum distance of one and a half (1,5) meters in public assembly places.
7. Use of all personal protective equipment recommended for, on a case-by-case basis (mask, gloves).
8. In case of symptoms during my stay, I will immediately inform the hotel's health officer and seek medical assistance.
